

The Kindness Quest: A Family Adventure in Giving and Gratitude

May the power of love and kindness always come first.

—Janice V. Garrett

Taking place just days before Mother's Day, *The Kindness Quest* is an enchanting family event that combines fun, education, and philanthropy. This unique gathering is designed to nurture kindness and expand the notion of family to include animals and community. The event will feature various activities designed to promote empathy and the spirit of giving back. Participants will have the opportunity to engage in fun and educational activities, all while supporting local nonprofits that significantly impact our community.

Children will journey through various interactive stations, each representing different nonprofits, where they can earn and give pennies as tokens of kindness. Highlights include animal-themed activities with stuffed animals, origami crane folding, environmentally friendly activities focusing on topics like regenerative farming and recycling opportunities, and a Special Listening Café hosted by hospice volunteers to emphasize compassionate listening—all while learning about and supporting local nonprofits. The event culminates in crafting Mother's Day thank-you cards.

Every participating nonprofit benefits from the event's fundraising, ensuring a shared celebration of community support. Join us for *The Kindness Quest: A Family Adventure in Giving and Gratitude* where your generosity directly supports local nonprofits. The organization that collects the most donations wins a grand prize of \$1,000, with \$500 for second place and \$200 for third place.

It is a day of fun and community spirit where your contributions make a real difference. Be a part of this celebration of giving and see the power of community support in action!

Space is limited. Come early! Signing the video/photo release form by a parent will be part of the check-in process.
